Ann and Carrol Stonecipher are from Stratford, Oklahoma and have been with “An Affair of the Heart” since 1987. They started with raw wood products such as shelves, etc. Thus the name, Andrea’s Woodcrafts, as their booth listing in the Modern Living, Booth #’s 023-024. Over the years they have transitioned to mostly custom metal works (one of which this writer/photographer has in her yard). “An Affair of the Heart” has always been a great show,” said Carroll. “It’s been a constant in our lives for so many years, and we can always count on it being a good show for us,” said Ann. “It’s really nice to see all of our repeat customers each show and catch up on who has had babies, grand babies and so much more...it’s just like family,” added Ann.

Donna Beard and Melissa, AAOTH Show Coordinator. Thanks Donna! It’s patrons like you who make this show so special!!
